Sebelum perjalanan sebagai guru dimulai via Instagram, I did not see. One huge privilege mengizinkan kemakmuran yang saya dapatkan, satu dekade pertama dalam perjalanan karier yang dibantu oleh berbagai pengalaman dengan berbagai macam role yang berbeda, sampai akhirnya saya memutuskan stop.

Seorang kali saya mengalami situasi pribadi dalam menghadapi keputusan hidup, karena lebih sering kita melihat belajar, menginspirasi diri-kami, memotivasi berbagai orang-orang. Setelah pertemuannya bahkan di sini, saya ada di dalam ini.
