## KATA PENGANTAR REKTOR

## BAB 1

|                                                 |          |
|-------------------------------------------------|----------|
| <b>DEFINISI &amp; KONSEP MDS-RAPSettlements</b> | <b>1</b> |
| 1.1. Definisi MDS-RAPSettlements                | 1        |
| 1.2. Konsep MDS                                 | 3        |
| 1.3. Konsep RAPSettlements                      | 4        |

## BAB 2

|                                              |          |
|----------------------------------------------|----------|
| <b>JENIS, SUMBER &amp; JUMLAH DATA</b>       | <b>7</b> |
| 2.1 Jenis Data                               | 7        |
| 2.2 Jumlah dan Sumber Data                   | 15       |
| 2.3 Ukuran Data                              | 17       |
| 2.4 Jenis dan Sumber Data MDS-RAPSettlements | 36       |

## BAB 3

|                                                     |           |
|-----------------------------------------------------|-----------|
| <b>TABULASI &amp; INPUT DATA MDS-RAPSettlements</b> | <b>39</b> |
| 3.1. Jenis dan Sumber Data MDS-RAPSettlements       | 39        |
| 3.2. Input Data MDS                                 | 47        |
| 3.3. Input Data MDS-RAPSettlements                  | 64        |

## BAB 4

|                                                                    |           |
|--------------------------------------------------------------------|-----------|
| <b>TAHAPAN ANALYSIS DAN INSTAL SOFTWARE<br/>MDS-RAPSettlements</b> | <b>89</b> |
| 4.1. Tahapan Analysis RAPSettlements                               | 89        |
| 4.2. Instal SOFTWARE MDS-RAPSettlements                            | 92        |

**BAB 5**

**PENELITIAN MDS-RAPSettlements** **119**

5.1. Pendahuluan 119

5.2. Metode Penelitian 121

5.3. Hasil Penelitian 125

5.4. Kesimpulan 144

**BAB 6**

**PENUTUP** **145**
